

PU Journal of Science and Engineering

ISSN: xxxx-xxxx

Publisher:

Research Management Cell
Purbanchal University School of Engineering

Publication Frequency: Yearly

Editorial Board

Editor-in-Chief

Dr. Dharmendra Singh, RMC Chairman, PUSOE

Managing Editor

Dr. Bijay Lal Pradhan, Amrit Campus, TU

Associate Editors

- Prof. A. Scientist, University A
- Prof. B. Researcher, University B
- Dr. C. Author, Institute C

Advisors

- Prof. Biju Kumar Thapalia, VC, Purbanchal University
- Prof. B. Researcher, University B
- Dr. C. Author, Institute C

Aim and Scope

The PU Journal of Science and Engineering publishes original research articles and review papers in engineering, science, and emerging technologies.

Contact Information

Research Management Cell, School of Engineering, Purbanchal University, Biratnagar, Nepal

Contents

Phytosociology and Production Potential of Wild Olive (*OleacuspidaeWall.exG.Don*) in Western Central Himalayas of Nepal

Krishna Prasad Sigdel, Hem Raj Bista, Nabin Raj Joshi, Bijay Lal Pradhan 1

Enhancing the Impact of Photovoltaic Integration in Integrated Nepal Power System at Eastern Transmission system of Nepal.

Damodar Basnet, Md Zaid, Sandeep Neupane 13

Enhancements of Distribution System Performance by Optimal Network Reconfiguration

Dhanraj Bista, Sandip Neupane, Mohamad Zaid 25

Impact Analysis of Photovoltaic Penetration in Radial Distribution System - A Case Study of Bazar Feeder in Dhulabari DC

Gyan Kafle, Md Zaid, Sandeep Neupane 40

Optimal DG Placement and Sizing in Radial Distribution Networks Using Whale Optimization for 11 KV Bypass Feeder

Hari Ram Pokharel, Sandip Neupane, Mohamad Zaid 56

A Novel Approach for Secure Hybrid Islanding Detection Considering Dynamic Behavior of Power and Load in Electrical Distribution Networks

Manoj Adhikari, Sandip Neupane, Mohamad Zaid 67

Effect of Different Organic Fertilizers in Growth and Fruit Yield of Tomato in Khandbari, Sankhuwasabha, Nepal.

Prashamsa Kafle, Krishna Dahal 78
